

RUCONBAR

RUBBERISED CONCRETE NOISE BARRIERS

Contract number: ECO/10/277317/SI2.595674

D 6.7

Graphical logotype

March, 1st 2012

In order to reach towards target groups and key actors strong visual identity has high importance. FCE is responsible for coordinating the project partners in implementing dissemination activities has selected the designer which has the task to prepare graphical profile and logotype of RUCONBAR project. Below are suggested designs for the project logotype and the selected one is in the grey table:

 <p>RUCONBAR Rubberized Concrete Noise Barriers</p>	 <p>RUCONBAR Rubberized Concrete Noise Barriers</p>
<p>Project "RUCONBAR"</p> 	
<p>RUCONBAR</p>  <p>Rubberized Concrete Noise Barriers</p>	 <p>RUCONBAR Rubberized Concrete Noise Barriers</p>
 <p>RUCONBAR Rubberized Concrete Noise Barriers</p>	<p>RUCONBAR</p>  <p>Rubberized Concrete Noise Barriers</p>
